GUNN VICTORIOUS OVER HIS DEMOCRATIC OPPONENT FOR SEAT IN THE SUPREME COURT

Rolls Up Majority
of 11-11-4 Over
McLaughlin
G. O. P. JUBILANT

Democrat, Ill. June 28.—(U.P.)—Republicans hailed the election of Walter T. Gunn of Danville to the Illinois supreme court as a major defeat today for the Democratic party and a symbol of an upturn in GOP fortunes.

Gunn rolled up a majority of nearly 15,000 votes in the special third district election yesterday.

Charged by their showing, Republican leaders predicted they would carry the state in November and renewed charges that the Democratic organization had tried to outwit the make-up of the supreme court.

Only five of the sixteen east-central counties were carried by Circuit Judge Joseph L. McLaughlin of Sullivan, Democrat backed by the Huller forces.

The complete unofficial vote was: Gunn, 80,689; McLaughlin, 69,775.

Surprised Democrats

Democratic leaders, surprised at the size of the vote for the 38-year-old Danville attorney, conceded his election in silence before half the returns were in. McLaughlin then sent a congratulatory telegram to Gunn.

It gave the Republicans two of the seven seats on the state's highest court. Gunn will serve until 1942 as the successor to J. R. Herrick of Farmer City, Democrat who died last year.

A recent victory as another demonstration that the American people, never to let themselves be dominated by any political organization, said Gunn in commenting on the vote shortly after McLaughlin's headquarters conceded defeat.

Rejuvenating News

"It's the most rejuvenating news since before 1930," said A. K. Stiles, St. Louis, chairman of the Republican state central committee. "It shows patriotism can rise to beat payrollers. It certainly points the way."

PROUD VETS OF THE CIVIL WAR TO GETTYSBURG

Answer Father Abraham's Call for
Last Time

By GILES FINDLEY
Chicago, June 28.—(U.P.)—They answered Father Abraham's call for the last time today.

"Twas a pitiful but proud handful that remained, scarcely more than half a hundred yet all were eager to be on the way, to reach the great reunion of civil war veterans at Gettysburg, Pa."

The last of two trains today, the remaining stragglers from that fine army of Illinoisans who wore the union blue from 1861 to 1865 to attend the blue and gray reunion.

Each of the stooped and failing veterans was accompanied by a relative or a friend. The government, to make the reunion on Gettysburg's hallowed fields possible, paid the expenses of the old soldiers and their escorts. They will live in a tented city at Gettysburg, where on July 1, 2 and 3 the 75th anniversary of the greatest battle ever fought on United States soil will be celebrated.

G. A. R. Commander Leads

Leading the lonely company of Illinois men, survivors of more than a hundred regiments, was Capt. John Andrews, 90, of Quincy, commander of the Grand Army of the Republic in Illinois and a former superintendent of the Illinois soldiers and sailors home at Quincy.

Another veteran was N. G. Vansant, 92, of Sterling, the only Illinoisan to serve both in the civil and world wars. He paid his own way to France to serve doughnuts in a Salvation Army hut at the front.

The only commander-in-chief of the confederate veterans to come from north of the Mason-Dixon line, General John Milton Claypool, 92, led a delegation of St. Louisans. He enlisted in the Twelfth Tennessee army as a boy of 16, was wounded three times, captured and was a prisoner at Columbus, O., until the end of the war. "Since the Lord has put up with the Yankees all this time, I guess I can also

This Year's Joint Reunion of Blue and Gray Not 1st

A statement to the effect that the reunion of the G. A. R. and Veterans of the Confederacy this year at Gettysburg is the first joint reunion of the blue and gray, published in this newspaper several days ago, was discounted today by Capt. Frank T. Bowles, 207 North Dearborn avenue.

Capt. Bowles stated that he distinctly recalls the occasion of the 50th anniversary of the battle of Gettysburg on July 3, 1913, when 50,000 veterans of the war between the states held a joint reunion at the scene. His late father-in-law, Dr. B. P. Urian, attended that reunion. Many of Capt. Bowles' relatives, who fought in the Confederate army, also attended the reunion.

There is one man from Kankakee county attending this year's reunion, the 75th anniversary of the battle of Gettysburg. He is William P. Lockwood, 92, who is accompanied by his son Frank.

Claim Testatrix in Dotage When She Drew Up Will

A suit to break the will of Mrs. Mary Frances Denny, formerly of Kankakee who died in 1936, began before a jury and Circuit Judge Claude N. Saum yesterday and continued today.

The suit is by Charles Livingston, represented by Attorneys Vernon G. Burt and Harry S. Streeter, vs. Benny Turro, represented by the law firm of Deselm & Schneider and Attorney Victor N. Cardosi and other defendants.

The complaint points out that Mrs. Denny's will makes small bequests to various parties but leaves the bulk of her estate to Turro. It goes on to say that she, at the time she made the will, was in dotage.

The complaint asserts that the defendant Turro used undue influence upon Mrs. Denny to have her make the will in her favor.

The jury consists of the following: Clyde Verhines and William Kessler of Moline, Jack Sheehan, Peter Knittle, William Webster, E. M. Curtis of Kankakee, Eddie Reed and Telephone Audette of Manteno, Ray Haugh of Otto, Roy Arsenau of Bourbonnais, Charles Noble of Rockville and Earl Goyette of St. Anne.

State President of Farmers' Supply Co. Club Speaker

Fred Herndon of Quincy, president of the Illinois Farmers' Supply company, was the speaker at the regular Kiwanis luncheon yesterday at McBroom's cafe.

His subject was "consumer cooperative organizations vs. producer cooperatives."

He was introduced by the program chairman, Lyle Everett, manager of the Kankakee Service company, affiliated with the Illinois Vernal company.

Vernon McBroom, past president, presided in the absence of President J. E. Robertson and Vice President R. Y. Allison who are attending the International Kiwanis convention in California.

Ransom Collectors Await Sentencing

New York, June 28.—(U.P.)—Two men convicted of trying to collect the \$300,000 ransom originally offered for the safe return of kidnapped Peter Levine, 12, awaited sentencing today as the state sought to send a third man to prison on the same charge.

A jury at White Plains yesterday found Fred Luck, 23, and Edward John Penn, 18, guilty of attempted extortion.

They were accused of trying to "chisel in" on the ransom money by pretending they knew the whereabouts of the missing boy, whose headless body was washed ashore in Long Island sound near his New Rochelle home on May 29, three months after he disappeared.

As their trial closed, Murray Levine, father of the slain boy, testified in a New York City courtroom against Santiago Gutierrez, 21-year-old pantryman, accused of making a solo bid for the ransom.

**FIVE FRENCH ARMY FLYERS
BURN TO DEATH IN CRASH**

Reims, France, June 28.—(U.P.)—Five French army flyers were burned to death today when their military plane crashed and caught fire about 200 yards from the airfield here.

The plane fell suddenly from about 600 feet a few seconds after taking off.

More Pictures of Desperadoes' Flight and Capture

An Indiana state police car, in the top photo, was riddled with bullets from the guns of Clarence and Orelle Easton, bandit brothers from North Dakota, before Clarence was slain and Orelle was captured near Deselm yesterday. Shown around the car are, left to right, Sheriff Freeman Lane of Porter county, Ind.; Officer Howard Winters of Dunes Park, Ind.; Captain O. H. Gilliland of Valparaiso, Ind.; Police Chief A. C. Witter of Valparaiso and Officer Delvie Materson of Dunes Park. In the photo below, right, are shown Charles J. Hahn, left, and Joseph Kowalczyk, deputy sheriffs of LaPorte county, Ind., who were kidnapped by the bandit brothers but released unharmed. At the left is Orelle Easton in the Kankakee county jail, his shirt bloodstained from a bullet wound in the shoulder, and his hands manacled.

Husband in Dog House is Freed By Jury

Riley Decker, 65, farmer near Wilmington, former Kentuckian was acquitted of assault with a deadly weapon by a county court jury yesterday.

The charge was by his son Dewey, farmer of that town, who claimed that his father threatened him with a shotgun the night of June 5. This occurred, he said, after his mother had left his father's farm and came to live with him.

The father denied the charge and his attorney, Edward P. Drolet, told the jury that his client was "just in the dog house."

The prosecution was by Assistant State Attorney Viktor Lauridsen.

The following were witnesses for the prosecution: Dewey Decker, Deputy Sheriff Clinton Craig, Lem Decker, wife of Riley, Susie Decker, wife of Dewey, and Sheriff John Stack. The defendant testified in his own defense.

The jury consisted of P. O. Day, Bernard Costello, George Beredol, Frank Somers, Arthur Manau, Horace Thierion, Joseph Fister and Herman Becherer, all of Kankakee. H. Stors of Aroma, Alex Panofzo of Limestone, Paul Legris of Bourbonnais, George Hopper of Moline.

FRESH DEMANDS ON BRITISH TO PROTECT SHIPS

Mounting Indignation as Bombs Splash

London, June 28.—(U.P.)—The Duchess of Atholl today gave details of what she said were guns "threatening Gibraltar" from insurgent Spain and issued notice she would ask Prime Minister Neville Chamberlain in the house of commons tomorrow what he intends to do about them.

The duchess recently rebelled from conservative ranks and has been a frequent government critic.

The question of such guns, allegedly of German manufacture, has been raised repeatedly during the Spanish civil war. The government has taken the position generally that they are not a threat to Gibraltar. Britain's fortress at the western entrance to the Mediterranean.

Mounting indignation over continued bombings of British merchant ships in Spanish ports led some quarters in London today to believe Prime Minister Chamberlain's government must face fresh demands to allow the ships to arm in defense.

Hopes Dashed

Earlier hopes that a five-day lull in attacks on British ships indicated insurgent General Franco at last was responding to repeated protests were dashed yesterday by the destruction of two more merchantmen, the Arion and the Farnham, with a loss of four lives.

On top of that, six insurgent planes again bombed the British-operated Port of Gandia, 35 miles south of Valencia, and dropped missiles.

Russell Brothers' Circus Does Well

The Russell Brothers three-ring circus, which played yesterday afternoon and evening on the Valencia showgrounds, had excellent attendance, especially in the evening.

At both shows there was a two-hour program in which the antics of the clowns, the work of the aerial performers and acrobats and the animal acts were equal to that offered by much larger circuses.

The horses and other animals were well trained and well kept while the costumes and general equipment compared favorably to Class A shows.

The circus came to Kankakee from Hoopston and is showing today at Chicago Heights.

FAIL TO IDENTIFY BROTHERS AS RECENT BANK ROBBERS IN MICHIGAN AND IOWA CITIES

St. Viator May Close on Friday

St. Viator college, a 75-year-old institution founded by French-Canadian pioneers at Bourbonnais, may have to close its doors Friday morning unless action is taken at an emergency meeting of Chicago alumni tonight in an endeavor to prevent foreclosure proceedings.

The Chicago meeting for tonight was called by Attorney Lowell A. Lawson, a member of the board of trustees of the college who has been representing the institution in the present litigation.

Attorney Walter H. Eckert, representing the Massachusetts Mutual Life Insurance company, said interest and principal payments have been in default since May 1, 1931 and approach half a million dollars in total.

The Rev. Edward V. Cardinal, president of the college and other members of the Victorian order, declined to discuss the matter today, but admitted they were hoping to reach some kind of a settlement before Friday. In the event the college here should be closed, the Victorians may move to their novitiate at Lemont or establish a school in Chicago, it was said on good authority.

Orelle Easton Asks for Lawyer at Hearing

BULLETIN

Attorney Len H. Small was contacted this afternoon at the county jail by Orelle Easton, charged with murder and kidnapping, and was retained to represent the prisoner. Attorney Small said, in behalf of his client, that Easton will contest extradition to Indiana.

BULLETIN

LaPorte, Ind., June 28.—(U.P.)—Circuit Judge Wirt Worden today ordered the grand jury into special session tomorrow to consider a first degree murder indictment against Orelle Easton, 25, survivor of two North Dakota bandit brothers who killed an Indiana state policeman Sunday night.

Prosecutor Mark Stoen, Sheriff Joe Wolf and Deputy Sheriff James Power went to Kankakee, Ill., today hoping to return Easton without the formality of extradition. Prosecutor Norman Sallwasser pledged himself to send Easton to the electric chair.

Formal charges of murder and kidnapping were placed today by Sheriff John Slack against Orelle Easton, 25-year-old surviving brother of a bandit partnership which ran afoul of the law in a barn yard near Deselm yesterday morning.

Thus far, however, has been found impossible to connect this youth and his dead brother Clarence, 27, with any bank robberies although, according to Orelle's statement, they left their Valley City, N. D., home June 9 with the intention of "working up" a bank robbing career.

From Iowa and from Michigan parties came today to look at the bandit youth in the county jail in an attempt to identify him as a bank robber.

From Flint and Flushing, Mich., came officers and employees of a Flushing bank which was robbed of \$4,200 on June 22. From Iowa came officers and employees of a North Indiana bank robbed of \$900 on June 16.

Identification Fails

All of these persons, after they had viewed Easton, shook their heads negatively.

"I told you so," said the young bank teller, "We meant to get into bank robbing, but we never got around to it. Our car got stalled and—"

He referred to the incident Sunday night near LaPorte, Ind., when Ray Dixon, 28-year-old state trooper, was shot down when he walked toward the stalled car in which the bandit brothers were sitting. He died yesterday afternoon at LaPorte from three bullet wounds in the abdomen, in spite of blood transfusions.

The kidnapping charge arises out of the fact that after the shooting Orelle and his brother kidnapped two deputy sheriffs who chanced to drive by. They were released later at the state line at Wilmington. The brothers kidnapped a farmer, who later fled when the bandits engaged in one of several gun fights with officers.

After the shooting of the Indiana trooper, the forces of the law in

CRIME DOESN'T PAY, DESPERADO ADMITS HERE

Easton Brothers' Loot Totals Under \$100

When Clarence and Orelle Easton left their Valley City, N. D., home June 9 to take up a career of crime—which proved to be shortlived and not very fruitful—they were prepared to "shoot it out" with the law.

In a statement to Sheriff John Slack and State Attorney Samuel H. Shapiro in the county jail yesterday afternoon Orelle said:

"Of course we couldn't do that right away. We had to have experience. So we figured on holding up stores and gas stations."

Their "system"

"We figured on working by a system. The system was simple—to keep moving and changing automobiles often."

Orelle, a blue-eyed, curly-haired blond, tall and slender, said he and his brother are high school graduates and each had a year in college. They couldn't find work, he continued. So they told their father, a respected farmer and insurance agent, and their mother that they were going out to find a job. Their last letter home was from Minneapolis about a week ago. In that letter they told their parents they were "getting along fine" and were going east.

"Had the Ideas"

In the statement yesterday Orelle said his brother was the leader. "He had the ideas," he said, "and I just followed them. My brother liked to have guns around him and to have them ready. I did the driving."

In the 18 days between their departure from home and the end of their excursion into crime the brothers stole six automobiles by holdup, stole several sets of license plates, held up a gasoline station and the chief of police at Columbus.

SNELL RETIRES FROM CONGRESS

Outspoken Critic of New Deal to Quit After 21 Years

Washington, June 28.—(P)—Attempts to liberalize the house Republican leadership in the 1939 congress appeared likely today as a result of the retirement of minority leader Bertrand H. Snell. Snell, outspoken critic of Roosevelt policies, announced he would not be a candidate for reelection. After 21 years in congress, he said, he had decided to devote himself to his varied business interests in northern New York.

Politicians, speculating as to Snell's successor, recalled the efforts made in 1938 by Representative Fish (R-NY) to replace him with a leader favoring a "more progressive" program.

The insurgent movement, however, was unsuccessful.

Talk of Successor
Among the few congressmen still in Washington, the first name generally mentioned for Snell's post was that of Representative Joseph W. Martin of Massachusetts, assistant minority leader. He is 53, Snell is 67.

The executive committee of the national Republican organization was in session here yesterday about the time Snell's announcement was made. Chairman John Hamilton commented that Snell had been a source of "great strength to the party."

The committee gave Hamilton a vote of confidence, declaring he and his staff "have functioned efficiently and adequately" in co-operation with the congressional campaign committees.

Small Doll Hats for Women is on Schedule Shortly

New York, June 28.—(P)—Millinery stylists fresh from the Paris fashion shows predicted today the next feminine vogue would be small doll's hats.

The hats, they said, would perch on top of the head, with ribbons in back tying under the hair. Colors will be wine, red, russet and moss green.

The stylists said the hats are modeled from those worn in portraits of Madame Du Barry.

Japan's present fiscal year saw nearly 10,000 new employes go on government payrolls.

BOSNIAN CITY REMAINS CALM

Anniversary of the Assassinations, Starting War

Sarajevo, Yugoslavia, June 28.—(P)—This Bosnian city, the scene 24 years ago of the assassinations of Archduke Franz Ferdinand and his wife the Princess Sophie, of Austria-Hungary, took little notice of the anniversary today of the incident that started the world war.

A little bouquet of carnations withered on the almost forgotten grave of Gavrilo Princip, the youth whose pistol shots made Sarajevo historic.

A few tourists showed interest in the little bridge over the Miljacka river, marked now by a tablet where the shot were fired June 28, 1914.

That was all. The anniversary served to revive the question that often is mildly debated in Sarajevo—was Princip a hero or only a misguided youth?

One man who speaks with authority is Dr. Milan Pfeiffer, who was examining magistrate at the time and took the first statements from Princip after the slaying of the Austrian archduke.

Act of Patriotism
Dr. Pfeiffer still lives here. In a recent volume of reminiscences he described Princip as courageous, and convinced the slaying was an act of the highest patriotism.

The assassination, after a world convulsion, led to the freedom of his native Bosnia and creation of the Yugoslav nation.

His body was brought here for burial in 1929. He and his fellow plotters, Nedeljko Tschabrinowitch and Trifko Grabesich, died in prison while serving 20-year sentences—the most severe penalties that could be given under Austro-Hungarian law.

A month after the assassination, on July 25, Austria-Hungary followed her ultimatum by declaring war on Serbia. Germany declared war on Russia August 1. France joined the war two days later. Great Britain and Belgium the next day, August 4.

STORIES IN STAMPS

Saving Australia's Living "Teddy Bears"

TINY, lazy koala, the living teddy bear of Australia, faces extinction, and science has decided to do something about it.

One time these shy little animals, which have a thick grayish-colored fur, prominent black nose and stand about two feet high, romped the Australian bush by the millions. Then disease and civilization struck. Ten thousand trappers decimated the ranks of those surviving the bush plague. Today koalas are found only in small numbers in eastern and southeastern Australia.

Most inoffensive of animals is the koala, doing no harm to anyone. It weighs about 30 pounds, feeds mainly upon the branches of certain eucalyptus trees. The animal is rather inactive, especially in the summer, and often sits in the fork of a tree sleeping the daylight hours away. The koalas never drink water; they carry their young in a pouch, are full grown at 3, live to be 15 to 20 years old if not captured. They are often called the living teddy bear because of their striking resemblance to this artificial creature. Actually the American teddy bear was copied from the small brown bear of America. A koala is shown above on a current Australian stamp.

Nye-Langer Scrap Highlights North Dakota Primaries

Fargo, N. D., June 28.—(P)—A long scrap between United States Senator Gerald P. Nye and Governor William Langer reached its climax today in the voting booths.

Both are seeking the Republican nomination for senator in today's primary election, and their personal fight overshadowed Democratic contests.

During the five years since they split an old political friendship, Nye and Langer have quarreled often over state issues. In the campaign this year, Nye charged Langer's administration with "racketeering" and demanded a return to "responsible government."

Langer retorted that Nye had made a "racket" out of his activities in the peace movement and declared the present administration had given the state "sound government" and great debt reduction.

The governor's tilts with federal agencies, one of which brought him three times to trial before he was cleared of charges of soliciting political funds from relief workers, also were recalled during the campaign.

With Nye at the head of the Progressive-Republican ticket is Lieutenant Governor T. H. Thoresen, opposing John N. Hagan, commissioner of agriculture and labor, the Langer candidate for nomination as governor.

John Moses, "regular," and Oliver Rosenberg, "progressive," are seeking the Democratic nomination for a senator. For senator, the Democrats will decide between J. N. Ynggaard, "regular," E. A. Johanson, "progressive," and Halvor L. Halvorson, an independent candidate.
